

THE GIS SCHOLARSHIP 2025

Terms & Conditions

This document details the Terms and Conditions for scholarships offered by Garden International School (referred to as "GIS"). It is essential that you read these Terms and Conditions in their entirety. By accepting a scholarship from GIS, you acknowledge that you have read and agree to adhere to these Terms and Conditions. Please note that these Terms & Conditions are in addition to the Terms & Conditions Governing Enrolment and Admission as stated on the 'Application for Admission' form.

Applications

Applications must be submitted by **Sunday, 23 February 2025, 11.59pm**. Late applications will not be considered. An 'application' is defined as the submission of a fully completed online '[Application for Admission](#)' form to Garden International School along with all required documents listed on the checklist.

The School has sole discretion over the acceptance of applications and reserves the right to decline any application and is not obliged to offer any justification for the rejection of any application.

Scholarship Restrictions

- The GIS Scholarship 2025 is open to students who are not currently enrolled at Garden International School;
- Recipients of the scholarship are eligible for only one award;
- Scholarships are valid for two academic years, contingent upon the students maintaining high academic performance and continued excellence in academics and/or co-curricular activities.

Application Success

A formal Letter of Offer outlining the scholarship benefits will be sent to the selected students and their parents. Successful scholarship applicants will receive a waiver for the Application and Registration Fees. The Letter of Offer will specify the Tuition Fee, Deposit, and any other enrolment fees. If you choose not to accept the offered scholarship, please inform us in writing as soon as possible.

How will the Offer of Place and Scholarship be valid

The scholarship committee includes the GIS Principal, Head of Secondary, and a representative from the Leadership Team, who will interview shortlisted candidates to decide on the final scholarship awards. Depending on the specifics of the scholarship application, additional members of the academic team may also participate in the selection process.

The total amount of the applicable fees, as outlined in the Letter of Offer, must be paid to the School by the **Last Date to Accept the Offer**. Payments should be made in Ringgit Malaysia.

The offer of admission and scholarship will become invalid if:

- The full amount of the applicable fees is not received by the School by the Last Date to Accept the Offer specified in the Letter of Offer; or
- The offer of admission and scholarship is declined.

Eligibility Requirement

All scholarships are awarded on the condition that students maintain full-time enrolment. The scholarship will be terminated if the student's enrolment status changes, such as if they discontinue their studies at GIS.

To retain the scholarship, the student must:

- Adhere to all of the school's policies and regulations;
- Comply with the Terms & Conditions governing enrolment and admission;
- Maintain satisfactory attendance and academic performance as required by the School;
- Fulfil all criteria specified in the Letter of Offer;
- Retain their Malaysian citizenship status.

Scholarship Termination

The School may terminate the student's scholarship at any time if he/she:

- Do not meet the terms and conditions of the scholarship;
- Fail to comply with the Terms & Conditions related to enrollment and admission;
- Do not maintain satisfactory academic progress;
- Are suspended or expelled from the School during their course of study;
- Provide incorrect, false, or misleading information, or withhold relevant information on their scholarship application or after receiving a scholarship offer.

Please be aware that if your child's scholarship is terminated for any reason, the School reserves the right to seek reimbursement for some or all of the awarded scholarship amount.

Publicity & Promotion

If your child is offered a scholarship, their details including name, photograph, video and details of the scholarship awarded may be used by the School and/or partner organisations for promotional purposes, including but not limited to the GIS' website; social media channels; print and electronic media. If you do not wish for your child's details to be used for promotional purposes, you must notify the School in writing prior to accepting the scholarship. Do note that this may affect the status of the scholarship awarded.

If your child attends events held by the School, photos and videos of your child at the event (along with their name and scholarship), may be used for promotional purposes by the School, TEG Group and or our partner organisations, including but not limited to: the GIS' website; social media channels; print and electronic media.

It is agreed that the use of these photographs and videos shall in no way be used in any other forum other than official School business. The scholarship recipient also waives the right to inspect or approve the finished product, the advertising copy or other matter that may be used in connection therewith or the use to which it may be applied. If you do not wish for photographs and videos of your child to be used in this way, you must notify the School in writing prior to accepting the scholarship. Do note that this may affect the status of the scholarship awarded.
